BIRR25-004650	RR	Issued	5/8/2025	\$5,500.00	Re-roof happened approximately two years ago on the pool house (approx. 150 SF. of tar mats). We did not pull a permit then, as we did not realize a permit was required. We recently renovated the bathroom in the pool house (BIAL25-000510), and the inspector told us that we needed to add flashing to the roof or he could not sign off the bathroom permit. We contacted the contractor who had done the roofing work, and he came back out and installed flashing, but they said we were responsible for pulling the permit. Flashing has now been installed underneath the house's stucco along the entire length of the pool house (approx. 20') and is ready to be inspected.	1	185352054	9 WESTMINSTER PL	LAFAYETTE
