--------	------	--------	--------	-----------	-------------	-------	--------	---------	------

BIAL26-002834	AL	Issued	4/2/2026	\$7,902.99	This is a remodel of a primary bathroom which measures 7'6" X 7'7". The existing shower pan has been leaking for years which has caused floor/tile integrity issues along with wood rot. The tile shower stall, tile floor, toilet, vanity and lighting will be replaced in its existing location (no tub exists.) The single sink vanity will be replaced with a double sink vanity (same location) and the toilet will be replaced with a bidet toilet seat model (same location) which will require installing a new electrical outlet near the toilet. This is basically a remodel necessitated by a long standing plumbing leak. No walls will move, no square footage added, no movement of plumbing. Everything replaced in its existing place. This room is located on the 1st floor in a single story home.	1	572221003	15 EDWIN DR	KENSINGTON
